

Gwendolen Park Tennis Club

Lets talk about the GPTC - We're a small, friendly tennis club situated in a quiet corner of Willowdale, North York, in North Toronto, Ontario. We have three well-equipped and maintained courts, plus a practice court and our own clubhouse with kitchen and toilet facilities.

All this in a peaceful park setting!

A well-run junior program with a professional coach is another of our attractions. Our pro is also available for senior lessons at a modest extra cost.

Gwendolen Tennis Club also participates in two senior competitive leagues and for the general player, competing at the fun level, we offer two nights of House League and one night of "come-one-come-all" Round Robins. A morning Round Robin is also offered three mornings a week.

Several times during the season (see [calendar](#)) we have social R.R's with hot dogs, hamburgers, and all the trimmin's.

We love to play, we love to have fun, and we'd love to have you join us. So just click on our [registration page](#), send it in and start playing...

Tennis at Gwendolen!

We'll also be posting information here for our members such as news items, changes in schedules, social activities and later in the season – tournament schedules.
