cost up to a maximum of \$1 million each per project.

# PART E: Attestation

- I warrant that, to the best of my knowledge, Total Eligible Costs reported in the Funding section of this application are Eligible Costs under the RInC Program in Ontario and Ontario REC as defined in the application guidelines.
- 2. I warrant that, to the best of my knowledge, all information contained in this application is true and accurate.
- 3. I warrant that this project would not be otherwise constructed by March 31, 2011, without the federal and provincial funding requested.
- 4. I understand that:
  - a) Funding under the RInC Program in Ontario and Ontario REC for this project has not been approved;
  - b) all costs incurred before federal and provincial approval and after March 31, 2011, are ineligible;
  - c) the project is subject to an endorsement as described in the application guidelines and the signing of a contribution agreement in accordance with the Program Terms and Conditions

I, Michael Schreiner (name) Manager, Construction Management / Capital Projects (title), am clearly authorized to bind the proponent and attest all information above is true and complete.

<sup>\*</sup> Please note the federal and provincial governments can each fund up to one third of a project's total eligible cost up to a maximum of \$1 million each per project.

# PART E: Attestation

- I warrant that, to the best of my knowledge, Total Eligible Costs reported in the Funding section of this application are Eligible Costs under the RInC Program in Ontario and Ontario REC as defined in the application guidelines.
- 2. I warrant that, to the best of my knowledge, all information contained in this application is true and accurate.
- 3. I warrant that this project would not be otherwise constructed by March 31, 2011, without the federal and provincial funding requested.
- 4. I understand that:
  - a) Funding under the RInC Program in Ontario and Ontario REC for this project has not been approved;
  - b) all costs incurred before federal and provincial approval and after March 31, 2011, are ineligible;
  - c) the project is subject to an endorsement as described in the application guidelines and the signing of a contribution agreement in accordance with the Program Terms and Conditions

I, Michael Schreiner (name) Manager, Construction Management / Capital Projects (title), am clearly authorized to bind the proponent and attest all information above is true and complete.

<sup>\*</sup> Please note the federal and provincial governments can each fund up to one third of a project's total eligible cost up to a maximum of \$1 million each per project.

# PART E: Attestation

- 1. I warrant that, to the best of my knowledge, Total Eligible Costs reported in the Funding section of this application are Eligible Costs under the RInC Program in Ontario and Ontario REC as defined in the application guidelines.
- 2. I warrant that, to the best of my knowledge, all information contained in this application is true and accurate.
- 3. I warrant that this project would not be otherwise constructed by March 31, 2011, without the federal and provincial funding requested.
- 4. I understand that:
  - a) Funding under the RInC Program in Ontario and Ontario REC for this project has not been approved;
  - b) all costs incurred before federal and provincial approval and after March 31, 2011, are ineligible;
  - c) the project is subject to an endorsement as described in the application guidelines and the signing of a contribution agreement in accordance with the Program Terms and Conditions
- I, Michael Schreiner (name) Manager, Construction Management / Capital Projects (title), am clearly authorized to bind the proponent and attest all information above is true and complete.

<sup>\*</sup> Please note the federal and provincial governments can each fund up to one third of a project's total eligible cost up to a maximum of \$1 million each per project.

#### PART E: Attestation

- I warrant that, to the best of my knowledge, Total Eligible Costs reported in the Funding section of this application are Eligible Costs under the RInC Program in Ontario and Ontario REC as defined in the application guidelines.
- 2. I warrant that, to the best of my knowledge, all information contained in this application is true and accurate.
- 3. I warrant that this project would not be otherwise constructed by March 31, 2011, without the federal and provincial funding requested.
- 4. I understand that:
  - a) Funding under the RInC Program in Ontario and Ontario REC for this project has not been approved;
  - b) all costs incurred before federal and provincial approval and after March 31, 2011, are ineligible;
  - c) the project is subject to an endorsement as described in the application guidelines and the signing of a contribution agreement in accordance with the Program Terms and Conditions
- I, Michael Schreiner (name) Manager, Construction Management / Capital Projects (title), am clearly authorized to bind the proponent and attest all information above is true and complete.

<sup>&</sup>quot;Please note the federal and provincial governments can each fund up to one third of a project's total eligible cost up to a maximum of \$1 million each per project.

# PART E: Attestation

- I warrant that, to the best of my knowledge, Total Eligible Costs reported in the Funding section of this application are Eligible Costs under the RInC Program in Ontario and Ontario REC as defined in the application guidelines.
- 2. I warrant that, to the best of my knowledge, all information contained in this application is true and accurate.
- 3. I warrant that this project would not be otherwise constructed by March 31, 2011, without the federal and provincial funding requested.
- 4. I understand that:
  - a) Funding under the RInC Program in Ontario and Ontario REC for this project has not been approved;
  - b) all costs incurred before federal and provincial approval and after March 31, 2011, are ineligible;
  - c) the project is subject to an endorsement as described in the application guidelines and the signing of a contribution agreement in accordance with the Program Terms and Conditions

I, Michael Schreiner (name) Manager, Construction Management / Capital Projects (title), am clearly authorized to bind the proponent and attest all information above is true and complete.

| RInC funding  Proposed cash flow profile of provincial Ontario REC funding |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 2009-2010                                                 | \$33,000                                |                    | 2010-2011                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | \$0                     |  |

<sup>\*</sup> Please note the federal and provincial governments can each fund up to one third of a project's total eligible cost up to a maximum of \$1 million each per project.

### PART E: Attestation

- 1. I warrant that, to the best of my knowledge, Total Eligible Costs reported in the Funding section of this application are Eligible Costs under the RInC Program in Ontario and Ontario REC as defined in the application guidelines.
- 2. I warrant that, to the best of my knowledge, all information contained in this application is true and accurate.
- 3. I warrant that this project would not be otherwise constructed by March 31, 2011, without the federal and provincial funding requested.
- 4. I understand that:
  - a) Funding under the RInC Program in Ontario and Ontario REC for this project has not been approved;
  - b) all costs incurred before federal and provincial approval and after March 31, 2011, are ineligible;
  - c) the project is subject to an endorsement as described in the application guidelines and the signing of a contribution agreement in accordance with the Program Terms and Conditions

I, Michael Schreiner (name) Manager, Construction Management / Capital Projects (title), am clearly authorized to bind the proponent and attest all information above is true and complete.

| PART B: Project Information  5. Project Title  Brookwell Park Playground Enhancement  6. Project Location (whic number, street name, municipality, points of interest, nearest intersection, etc)  2 Brookwell Drive, Toronto (Ward 9)  7. Project Category  Arenas  Gymnasiums  Swimming pools  Sports fields  Tannis, basketball, volleyball or other sport-specific courts  Park, Pirese trails, and bike paths  Other multi-purpose facilities that have physical recreation activity as the primary rationale (please specify:)  Park Playground  9. Project Type  Rehabilitation and/or repair of existing recreational infrastructure  New construction that is either adding to or replacing existing recreational infrastructure assets or capacity  9. Project Description  Enhancement of the existing playground to a modern multi-task structure.  10. Provide a rationale describing the specific problems or objectives this project will address.  SERVICE IMPROVEMENT AND ENHANCEMENT - This project will replace the current low play value/less challenging playground equipment with modern multi-task structures that will provide greater physical challenges and better social interaction.  This project is part of a long-term city-wide initiative to maintain and enhance Parks, Forestry and Recreation's 850+ playground inventory.  11. Will the project improve the energy efficiency of the asset?  12. Will the project improve the energy efficiency of the asset?  13. Will the project improve accessibility to the asset?  14. Will the project improve accessibility to the asset?  15. Yes, describe how the project kincreases public access to, and participation in, the facility and/or activity. The construction of new Parks, Forestry and Recreation facilities and amenities are designed to incorporate the council-approved City of Toronto Accessibility Design Guidelines' (AD3) and the Ontario Disabilities Act (ODA) to optimize independent access to persons with disabilities and to improve access for all.  13. Will the project extend the life of the asset?  14 | The state of the s | rmadori requ                        | 1.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Province          | dia                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                       |
